**GUIDANCE TO SAR-39.15 ON COMPLIANCE TO FOREIGN AIRWORTHINESS
DIRECTIVE APPLICABLE TO A SINGAPORE AIRCRAFT**

- 1 Where a foreign AD issued by the relevant authority of the State of Design (SoD) applies to a Singapore registered aircraft, CAAS will accept an alternative means of compliance (AMOC) that has been approved by the SoD as meeting the requirements in the associated AD. There is no need to seek CAAS' approval for the use of an AMOC approved by the SoD.
- 2 An operator who wishes to implement an AMOC that is not approved by the SoD must apply to CAAS for an AMOC as required in SAR-39.30.
